Do we need to do notify  
anyone about DEQ request on  
ACP? Headline reads delay

Anything I need to do on  
historic commission chair?  
Also I will probably start  
making calls to members on  
Monday

We can reach out to Duke/  
Dominion if think would be  
beneficial. Kevin Cherry thinks  
Mary Lynn Bryan would be best  
chair so mention to Ken. Susi  
has no strong feelings
